Data Sheet Change:

Yes No

Attachment:

Yes No

DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the production capability, Würth Elektronik has implemented an additional production line. All products with date code 2020-05-01 or later, will be affected by this change.

There will be no change in form, fit, function, quality or reliability of the product.

DETAIL OF CHANGE:

Neither electrical nor mechanical properties of the part will be changed.

The production lines can be identified by the first three digits of the lot number **XXX** XX XX XXXX XXX

Lot number of already established production line:	Lot number of additional production line:
Lot number starting with 105 Country of Origin: Taiwan	Lot number starting with 240 Country of Origin: China

RELIABILITY / QUALIFICATION SUMMARY:

There will be no change in the mechanical or electrical specification of the product.

As first of the release process, to ensure the additional production line is working correctly, first sample tests are performed, followed by Incoming Quality Check (IQC) with 10 pcs of the first Lot. Followed by an ongoing IQC of the following produced 3 Lots.

The following items are part of the IQC:

- Visual Appearance (Surface, Burr, Contaminations, ...)
- Mechanical Parameters (according as specified in the Datasheet)
- Electrical Parameters (according as specified in the Datasheet)
