

32x32 RGB LED Matrix Panel - 5mm pitch

PID: MIKROE-2370

Hi-brightness RGB LED matrix panel, with 1024 RGB LEDs arranged in a 32x32 grid on the front on a 5mm grid, total size 160x160mm. Comes with one IDC cable and a power cable.

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
ISO 14001: 2015 certification of environmental management system.
OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
