

Forklift hooks single

Application:

As an add-on unit for all types of stacker.

Execution:

- The rotating and pivoting compact hooks are attached outside the dovetail opening. Thereby, the dovetail opening can be fully utilised and there is no jamming of the stacker dovetail on inclined pulling
- Effortless conversion into a safe lifting device
- Your forklift truck can effortlessly be transformed into a safe hoist

Art. no.	77185 020
Load-carrying capacity	2000 kg
Design	Simple
Internal width	127 mm
Interior height	65 mm
Colour	Orange
Gross Weight	5.316 kg
Product Group	7EH
