Issue 1

PPE Product

Result® R201X Motorist Safety Vest, high-visibility fluorescent yellow sleeveless knitted polyester waistcoat, with two retroreflective bands encircling the torso and retroreflective bands joining the uppermost torso band from the front to back over each shoulder. The waistcoats have Velcro closures and are available in three nominal sizes: S/M, L/XL & XXL/XXXL.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 471:2003 + A1:2007 (High-visibility warning clothing for professional use) for a performance classification of Class 2.

The manufacturer's information notice (Result® High Visibility, User information, R201X), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file: R201X, Nov. 20th, 2011
