

Cordless compressor

CI 11 18.0

FLEX

Application:

Suitable for high pressure and large volumes. Filling and emptying of e.g. air mattresses and other large-volume objects

Execution:

- Electronic Management System (EMS) protects the machine, prolongs its life and increases efficiency
- Clear, large controls for quick setting of desired functions
- Pressure preset with automatic shut-off when the desired pressure is reached
- Low pressure outlet for maximum air flow
- Pressure gauge for maximum control
- 12V electrical system (via cigarette adapter) for filling car and bicycle tyres
- Low weight in its performance class and ergonomic handle position for easy transport
- Robust high-pressure die-cast aluminium gear housing
- Integrated LED light
- LED battery capacity display

Art. no.	71030 111
Brand	FLEX
Manufacturer Part Number	506648
Model	CI 11 18.0
Battery included	No
Number of rechargeable batteries/batteries	0
Battery voltage	18 V
Included in delivery	High pressure hose, volume hose, adapter for automotive valve, bicycle, ball, air mattress
Max. pressure	11 bar
Gross Weight	2.300 kg
Product Group	707

EAN

4030293209763
