

Group workbench, series VG, triangular

Solid beech, 3 cabinets each with 2 drawers with full extension and 1 door

Application:

Many different combinations and configurations in line with operational requirements. The space-saving and clearly-arranged nature of group workbenches means that they allow work-places to be tailored to the task at hand and optimum working procedures.

Execution:

- Base cabinets made of solidly-welded sheet steel
- 3 base cabinets each equipped with 2 drawers, 100% full extension, 2 x front height 90 mm, 1 x door, height 540 mm

Delivery:

Unassembled without power housing or cover panel. Assembly service on request.
