

Connecting cable - bidirectional

For measuring instruments with RS232 interfaces

Application:

For wired data transfer from measuring instruments with RS232 interfaces to e.g. PCs or interfaces with RS232 interfaces

Art. no.	35176 150
Data communication	Bidirectional
Cable length	2 m
Number of rechargeable batteries/batteries	0

EAN-Code

7630041115031
