

Joker safety hooks

for round slings and lifting straps

CARTEC

Application:

for connecting two slings or as the end sling point hook.

Execution:

- forged steel
- with a safety catch
- colour corresponds to CEN colour coding for textile slings
- hook opening designed to fit the usual sling points

Advantage:

- simple to use thanks to design and colour
- no risk of confusion
- particularly robust
- protects fabric lifting gear

Art. no.	77203 021
Brand	CARTEC
Manufacturer Part Number	CJ02
Load-carrying capacity	2000 kg
External width	91 mm
Width of mouth	31 mm
Internal width	40 mm
Material thickness of hook top	17 mm
Material thickness of hook base	21 mm
Height of hook base	26 mm
Interior height	148 mm
Gross Weight	1.214 kg
Product Group	775
