

PRODUCT

CHANGE NOTIFICATION

EE Series Photomicrosensor Packaging Change

Effective at the end of March 2024, the listed photomicrosensors will begin to be shipped with heat-sealed inner bags. As such, the inner packaging style and packaging quantities for the listed sensors will change. **Only the EE-SX1041 will have a reduction to the Standard Pack and Master Pack quantities, for ordering purposes. The ordering quantities for all other listed sensors will remain the same.** (This notification only affects the sensors that are included within the notification.) The following details will fully explain the change and the part numbers affected. Should you have any additional questions, please communicate with your local OMRON Sales Professional.

Effective Date:

March 2024

Changes:

Before the change	After the change
