

2nd February 2017

Change Notification Number: 1243

Type of Notification: Cosmetic change.

Affected Products:

CPS22IF-ALNA-24RG

Description: Due to our continuous improvement programme we are pleased to advise the following:

- Changes to wire colour.

Function	Existing Part	New Part
LED - Common	Grey	Grey
LED (Green) - +V	Blue	Green
LED (Red) - +V	Yellow	Red
Switch	Red	Red
Switch	Red	Red

- To improve the performance of the anodized finish, a radius is now present on the top of the face.

There is no change to the function or performance as a result of these amendments.
