

## Product Datasheet

**Product code:** ES6013.CR.BG

**Product type:** High Precision Pliers

**Made in:** Switzerland

**Description:** The 6013 is a high precision plier belonging to the long flat nose plier family. The long jaw length improves the ease of the hold. The smooth surface on the jaw prevents scratches while holding. The 6013 is equipped with an ESD Ergo-tek slim handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharge. The jaws are hardened to 45HRC hardness.

**Head description:** Long, Flat Nose

**Body material:** High carbon-chromium low alloy steel (100Cr6)

**Body finishing:** Sandblasted

**Handle material:** Ergo-tek Slim - Thermoplastic Elastomer + PP compound
