

ECONOMY swivel work chair with glide runners

Seat and backrest made of PU foam

bimos

Application:

ECONOMY is the low-price entry model with a PU foam cushion for a proper seated position in production settings and a generous seating area and backrest for comfortable sitting. The PU foam surface can cope with anything, from grinding dust and oil to chips.

Version:

- Infinitely-variable and user-friendly seat height adjustment via pneumatic pressure spring with dust protection
- Ergonomically-shaped permanent-contact backrests
- Ref. no. 003: Height-adjustable foot rest ring

Advantage:

- Cushion stands up to mechanical action, resistant against weak acids and alkalis, wipeable and easy to clean
