

Product Change Notification

Current Date: 16-Mar-2018

TE Connectivity

Product Change Notification: P-18-015609

PCN Date: 15-MAR-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Multilock 070 Series Receptacle Contact

Description of Changes

Manufacturing location addition. Following part numbers will be imported from TE Korea to augment US production. NOTE: the current drawing revision for 173630-1 is G and 173631-1 is F. Both are equivalent to the previous revision, the change was due to a change of other parts on common drawings for a previous PCN.

Reason for Changes:

Product improvement. Due to capacity constraints in Greensboro, NC, TE Korea is able to support TE NA with additional product. This is an existing manufacturing location and is under a certified quality management system according the standard industry requirements.
