TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

T92 Series relay

Description of Changes

As part of our ongoing efforts to pursuit greener products, TE decided to change T92 relay case marking from ink marking to laser marking. The new laser marking will keep the same marking content completely and no impact on relay function and identification. Please find the attached comparison marking photo.
