8. Customer Responses/ Acknowledgement / Approval

<u>All customer responses</u>: Customers may send responses via e-mail to adam.jawad@tdk.com. When replying, please include the PCN number in subject line.

Lack of acknowledgement: Lak of acknowledgement of this PCN within 30 days constitutes acceptance of the change. After acknowledgement, lack of additional response prior to the planned implementation date constitutes acceptance of the change. An acceptance, concern, sample order request, or request for further information should be submitted to Faraday in a timely fashion, (i.e., customer should not wait to the end of the review period before responding). If the customer requires additional time to perform sample testing, beyond the stated planned implementation date, an extension must be negotiated with Faraday

PCN Customer Approval:

- I. Customer may have up to a <u>maximum of 90 days</u> for formal approval from the date of the PCN to approve it, at which time the change will become effective
- II. Shipment of product may occur prior to the 90 days if approved in writing (e-mail is sufficient) by the customer
- **III.** Additional review time beyond 90 days may be granted to customers when requested in writing or by specification, and agreed to by Faraday
- **IV.** Changed product will not be shipped to customers who first requested formal approval of the PCN, even if the 90 days has elapsed. Customer approval by e-mail is acceptable
