Description of Change: To introduce an additional manufacturing location in China for TCMC

Reason for Change: To further expand production capacity and establish a fully qualified dual manufacturing location to mitigate supply risks for our customers, Vishay is duplicating our equipment and processes already established in our Polytech manufacturing facility located in Miharu, Japan, at our longtime production facility located in Danshui, PRC. This facility has been in operation since 2003, has a highly skilled and experienced workforce, and is already certified to the following international standards: ISO 9001, ISO 14001, ISO-45001, and IATF 16949.

Expected Influence on Quality/Reliability/Performance: None

Part Numbers/Series/Families Affected: TMCMB*

Vishay Brand(S): Vishay Polytech

Time Schedule:

Start Shipment Date: Fri Dec 1, 2023

Sample Availability: Upon Request

Product Identification: A special mark (circle deuce) will be added into marking code to identify new location

Qualification Data: Upon Request

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Fri Jul 7, 2023 or as specified by contract.
