### Data Sheet Change:

- Yes  No

### Attachment:

- Yes  No

### DESCRIPTION AND PURPOSE OF CHANGE:

To increase production capability, ensure process continuity and for environmental purposes, Würth Elektronik will implement laser marking for transformers and custom products over the next 24 months.

To ensure continuous product availability, batches with either print or laser marking may be received by customers.

The change does not affect fit, function, quality or reliability of the product.

### DETAIL OF CHANGE:

Electrical and mechanical properties of the parts will remain the same.

Marking font and color intensity may change slightly.

Laser marking will be used as primary marking; ink marking may be used to supplement capacity as needed.
