

TM-626 Clocking-in device

With RFID & fingerprint sensor

Experience flexible and secure clocking with the TimeMoto TM-626. Thanks to the integrated fingerprint and RFID reader, users can easily and securely register their working hours with their fingerprint or personal RFID badge. The TimeMoto TM-626 is suitable for up to 200 users and can store up to 10.000 time logs. Perfect for when you want to register and manage time more efficiently.

Combine your TimeMoto device with TimeMoto Cloud for optimal flexibility. Our intelligent Cloud solution provides you with complete insight and control over your time management in one easy application. With just a few easy clicks you can monitor all the clocking data from your TimeMoto device, edit and report real-time insights whenever and wherever you are. Create detailed schedules for your team and manage their overtime hours, absences, vacation requests and more.

TimeMoto Cloud

All TimeMoto devices include the TimeMoto Cloud Free plan and a 30-day TimeMoto Cloud Plus trial, so you can experience every feature before choosing the plan that best fits your needs.
