

Cordless hand-held circular saw CS 62

With pendulum hood

FLEX

Application:

Ideal for traditional applications in dry walling and refurbishment. For example, for sawing through gypsum, concrete fibre panels, wood materials such as chipboard or OSB panels

Version:

- Electronic Management System (EMS) protects the power tool, prolongs its life and increases efficiency
- Brushless motor with higher efficiency and longer service life
- LED battery capacity display
- Connection option for external dust extraction with 27 mm diameter or stepped adapter
- Chip collection bag for working with less dust, easy to empty, bayonet mount can be fixed without tools
- Cutting depth setting
- Spindle lock for quick saw blade changes
- Motor with overload protection and temperature monitoring

Art. no.	71030 108
Model	with pendulum bonnet
Type of rechargeable battery/battery	Li-Ion
Battery voltage	18 V
Max. idle speed	5000 rpm
Rechargeable battery/battery capacity	5 Ah
Saw blade diameter	165 mm
Battery included	Yes
Number of rechargeable batteries/batteries	2 PCS
Length x width x height	380 x 150 x 200 mm

EAN-Code

4030293216310
