

Cordless angle grinder WB 18 LTX BL 180

18 volt, no battery or charger

metabo

Application:

Same cutting depth as a large angle grinder with a mains connection at a diameter of 230 mm; ideal for cutting work on a roof

Execution:

- Tool-free, adjustable protective cover; can be fixed so that it cannot be twisted
- removable dust protection filter protects motor from coarse particles
- Unique encapsulated Metabo brushless motor with optimum dust protection for rapid work progress and the highest level of efficiency

Advantage:

- Slim design for effortless work in cramped components or overhead
- rotatable battery pack for better working in tight spaces
- Rapid braking system stops the disc in a matter of seconds after being switched off
- electronic safety cut-off: reduces kick-back if the disc is blocked

Delivery:

Not including battery pack, not including charger, protective cover, support flange, two-hole nut, additional handle, dust protection filter, two-hole spanner, MetaLoc case

Art. no.	70377 218
Model	WB 18 LTX BL 180
Battery included	No
Number of rechargeable batteries/batteries	0
Battery voltage	18 V/AC
Idle speed	8200 rpm
Washer diameter	180 mm
Thread dimension of spindle	M14
Weight	2.6 kg
With restart protection	Yes
With soft start	Yes
With overload protection	Yes
With quick clamping system	No
With reverse switch off	Yes
With disc brake	Yes
With dead man function	No
Product Group	Prod. Gr. 745
