RS PRO 54pcs Tap & Die Set

RS Stock No.: 668-1129

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the 54 piece HSS (high speed steel) tap and die set from our own brand RS PRO, a high quality and professional set ideal for a variety of DIY tasks. The combination of tap and die is perfect for tapping and thread cutting in a range of materials when used with a hand or power tool such as a tap wrench or power drill. The 54 piece set features a high speed steel construction for enhanced durability and resistance to corrosion.
