RS PRO ESD Earth Bonding Bracket With 10 mm Stud x 3

RS Stock No.: 287-7492

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too. RS PRO have a great range of ESD grounding accessories including bonding plugs, bonding boxes, bonding brackets and cords plus many more to help eliminate the build-up of static discharge which can be a risk to static sensitive components or devices. Earth bonding brackets distribute electrical mains earth within the EPA. These RS PRO brackets come with 3 terminations, with individual 1 meg-ohm resistors.

[287-7492](#) - Earth bonding bracket, 3 x 10 mm stud

[287-7509](#) - Earth bonding bracket, 3 x 4 mm banana stud
