Kurzbeschreibung: Roldeurkast, 2-delig, 5 OH, B 1350 x D 450 x H 1930 mm, lichtgrijs

Langbeschreibung: Roldeurkast, 2-delig, 5 OH, B 1350 x D 450 x H 1930 mm: Specificaties:Corpus, afdeklad, legborden, sokkel: gemelamineerd, sterk verdichte drielaagse fijne spaanplaat volgens DIN EN 14322, E1Zonder middenwandGeaⁿtegreerde hoogteverstelling: tot 10 mm verstelbaarVoor aanpassing aan de vloer is een stelpoot gemonteerd, met een hoogte van 23 mmBuitenbreedte: 1350 mmBinnenbreedte: 1100 mmUniforme dieptes:buitendiepte: 450 mmnuttige diepte: 370 mmlegborddiepte: 350 mm</p></div><div data-bbox="723 106 860 245" data-label="Image">A tall, light gray roll-up cabinet with two doors and a base. The cabinet is shown from a three-quarter perspective, highlighting its height and the roll-up mechanism. It has a clean, modern design with a uniform light gray finish. The base is slightly wider than the main body, and there are small feet visible at the bottom corners for stability. The doors have a subtle texture and a simple handle design. The overall appearance is functional and professional, suitable for an office or laboratory setting.</div><div data-bbox="109 355 164 409" data-label="Image">A smaller view of the roll-up cabinet, showing its profile. This image is a close-up of the side of the cabinet, emphasizing the roll-up mechanism and the uniform light gray finish. It shows the depth of the cabinet and the way the doors meet at the top. The lighting is soft, highlighting the texture of the material and the clean lines of the design. This view provides a different perspective on the cabinet's construction and its compact, space-saving design.</div>
