

Driver utility knife 18 mm Razar Black blades Auto Lock

3 blades in the magazine

TAJIMA

Application:

Highly suitable for cardboard, leather, wallpaper, foil

Execution:

- DRIVER cutter 18 mm, blade magazine with 3 blades, extra strong, hardened blade guide, DRIVER-TIP and AUTO LOCK
- Particularly sharp RAZAR BLACK blade made of SK-120 premium steel. Optimised blade geometry and improved cutting edge angle guarantee optimal cutting results.
- Ergonomically shaped 2C elastomer handle with blade magazine
- The combination of premium steel, Japanese heat-treating technology and multi-stage sharpening process results in exceptional cutting quality
- The Auto Lock system securely fixes blades with a locking force of 25 kg, enables powerful working and comfortable, fast adjustment of the blade length

Art. no.	53654 070
Brand	TAJIMA
Manufacturer Part Number	DC560YB
Length	170 mm
Blade width	18 mm
Gross Weight	0.103 kg
Product Group	5KN

EAN

4975364111883
