

## Platform trolley Optiliner made of steel tubing

Loading area 900x600 mm, load capacity 400 kg

**fetra**  
Transportgeräte

### Application:

The optimal grip position is the ergonomic alternative to the classic push handle.

### Execution:

- Steel tube structure, long-lasting surface protection, impact- and scratch-resistant
- Platform made of wooden plate, red surface
- Push handle folds onto platform

### Advantage:

- Low folding dimensions thanks to folding sliding handle
- High-quality frame design with rounded corners
- Ergonomic handle
