

Cordless impact wrench with shut-off function

RRI-BI series

Application:

Assembly applications where accurate torquing is required.

Execution:

- Specially designed for use in areas where hoses and/or cables hinder freedom of action, such as the interior trim of cars, buses and trains.

Art. no.	75066 150
Brand	RED ROOSTER
Manufacturer Part Number	RRI-BI32T
Model	RRI-BI32T
Motor design	Brushless motor
Battery included	No
Battery voltage	20 V
Number of rechargeable batteries/batteries	0
Min. torque	25 Nm
Max. torque	100 Nm
Torque levels	50
Rotation speed at nominal load in 1st gear	1500 rpm
Rotation speed at nominal load in 2nd gear	2000 rpm
Rotation speed at nominal load in 3rd gear	2400 rpm
Screw diameter	6 mm
Tip size	1/2 inch
Weight of machine without rechargeable battery	1.1 kg
Gross Weight	1.070 kg
Product Group	7AE

EAN

8717981370399
