

datasheet for MZS 1 - PRUEF
article number: 973601100

product description:	order number: 973601100
description:	Long stainless steel needle with shatter-proof insulated sleeve, for contacting closed connectors on the back (?cable inlet ?) through the sleeve or shrink-on sleeve. Thereby the test probe allows to measure during connected state and/or working process of test lead.
typ:	MZS 1 - Pruef
order number:	973601100
color	●
other color versions:	● ●
technical data	
pin dimensions	Needle 1 mm, socket 4 mm
type of contact:	Socket
rated voltage:	DC 60 V
contact resistance:	ca. 10 mOhm
material	
contact material:	Stainless steel needle, brass socket
contact surface material:	Nickel-plated socket
housing material:	PP
environmental conditions:	
temperature range:	-20°C bis +60°C
inflammable class:	
housing:	UL 94 HB
drawing
