

FEATURES

- 1.5 m cable for all models
- $\pm 0.5^\circ$ accuracy
- Liquid probe, stainless steel shell, silicone cable

RS PRO NTC Liquid Temperature Probe

RS Stock No.: 124-1082

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro NTC temperature probes used for temperature measurement with thermostats.

General Specifications

Probe Type	Liquid
Sensor Type	NTC
Minimum Temperature Measurement	-60°C
Maximum Temperature Measurement	+150°C
Best Accuracy	±0.5°C
Applications	Food industry (cold and hot food), Taking an air temperature within refrigeration units, Patient monitoring, Industrial equipment, Home appliances, Computers, Calibration and Instrumentation

Mechanical Specifications

Probe Diameter	6mm
Probe Length	48mm
Cable Length	1.5m

Technical Drawings

Stainless Steel Liquid Probe
