

**SURVEY REPORT**  
**Nr 032/2015/0099**  
**art. 11A of EU directive 89/686/CEE**

On demand of

**Ansell Healthcare Europe nv Riverside Business Park**  
**Spey House Internationelelaan 55**  
**1070 Brussel**  
**België**

we have carried out, on **03/02/2015** a sampling of personal protective equipment **The gloves SOL-VEX 37-185 and 37-665**, which forms the subject of the EC type examination certificate **03205087** issued by **Centexbel – NB 0493**.

We have verified the goods taken during the sampling in respect to their conformity with the description of the technical file and the goods have been subjected to laboratory tests (see report **15.02372.01 dd. 23/07/2015** in annex).

Conclusion:

The personal protective equipment described in the above mentioned EC type examination certificate complies with the technical data of the technical file and with the essential requirements of directive 89/686/EEG. Hence, **the CE-marking may be maintained.**

**This survey report is valid until the 31 December 2016 and contains 1 attachment(s).**
