

Product Description /

Expand phone features with the OtterBox uniVERSE Case System. The uniVERSE case features a slotted rail under its removable accent plate, that lets you attach and swap powerful accessories like POS, card readers, batteries and scanners — without removing the case. This rugged, low-profile case equips your teams for ultimate efficiency and ultimate service delivery.

Features /

- Rugged, low-profile case design follows phone's precision lines
- Removable accent plate slides off to attach accessories
- Works with swappable accessories that transform phones into scanners, cash registers and on-the-spot order assistants (accessories sold separately)
- Pocket-friendly design
- Lanyard attachment point
- Works with OtterBox screen protectors
- Raised edges protect camera and touchscreen
- One-piece case installs and removes in a flash
- Hassle-free customer service
