

Cutting disc Carbide Multi Wheel

The universal tool for angle grinders

BOSCH

Application:

Suitable for processing wood, wood with nails, plastic, drywall and copper pipes.

Version:

- Cutting edge made of carbide grain
- Safe, durable and easy cutting of soft materials

Advantage:

- Thin backing and elongation grooves provide unparalleled cutting speed and prevent blade deformation

Art. no.	76114 402
Washer diameter	115 mm
Washer thickness	1 mm
Bore diameter	22.23 mm
Max. rotation speed	13300 rpm
Form	Straight
Number of pieces per packet	1 PCS

EAN-Code

3165140827638
