

ESD Heel Strap with Clip

Features

- Clip type with snap release - easy to wear and take off
- Double layered conductive cup (3.5mm x 230mm)
- Each heel grounder incorporates a 1 Meg Ohm safety resistor
- All Heel Grounders are designed for use in conjunction with ESD flooring or mats
- Recommended to be worn on both feet
- Reusable and can be washed by hand in mild detergents
- Conforms to the requirements of ANSI/ESD S-20.20, EIA 625
- Hard wearing heel grounders designed for long term use

Image shown for illustration purposes only.

Notes: The heel grounder must be tested from time to time using the footwear test station.

Specification

Details	
Outer conductive surface (black)	$10^3 - 10^5 \Omega$
Inner anti-static surface (grey)	$10^7 - 10^8 \Omega$
Conductive tab (blue)	$10^3 - 10^4 \Omega$
Overall resistivity	$10^6 \Omega$
Resistance	1Meg resistor built in
