

connection cable

For measuring devices with MarConnect interface

Application:

For wired data transfer from measuring instruments with MarConnect interfaces to e.g. PCs or interfaces with USB or Digimatic interfaces.

Art. no.	39855 025
Brand	MAHR
Manufacturer Part Number	4102603
Data communication	Bidirectional
Cable length	2 m
Data button on cable	Yes
Number of rechargeable batteries/batteries	0
Gross Weight	0.060 kg
Product Group	305

EAN

4059192059187
