

Soft-face hammer SIMPLEX, rubber and super plastic impact insert

With Robinia wood handle, malleable iron clamping housing and replaceable impact inserts

HALDER

Application:

For medium-hard impacts when assembling sharp-edged workpieces

Execution:

- Soft-face hammer combined with rubber composition and superplastic
- Black rubber composition, medium-hard, very low wear, vibration damping, odourless
- Superplastic made of extruded, extremely homogeneous material, white, medium-hard, highly resistant and wear-proof.
- Housing made of malleable iron with integrated protective shaft sheath and high breakage resistance
- High-quality, vibration-damping, ergonomically shaped wooden handle; double-painted grip area

Advantage:

- All individual parts can be replaced and retrofitted, thus very economical

Art. no.	51226 060
Brand	HALDER
Manufacturer Part Number	3027.060
Head diameter	60 mm
Length of head	145 mm
Length	405 mm
Material of long handle	Robinia
Handle fastening	Bolted
Weight	1.5 kg
Gross Weight	1.506 kg
Product Group	521

EAN

4030618300717
