

Spare handle with sleeve, wedge and fastening plate

Suitable for Rotband-Plus sledgehammers

Application:

As spare handle for any hammer head according to DIN 1042

Execution:

- Ergonomic Hickory wooden handle DIN 5112, extremely rigid
- With long, hardened protective handle sheath

Advantage:

- With the safest possible connection; the protective handle sheath, ring-shaped wedge, fastening plate and wood screw turn the hammer head and handle into a single unit
- Thanks to the standardised handle, any hammer head (according to DIN 1042) can be converted to a safety hammer

Art. no.	51194 740
Brand	GEDORE
Manufacturer Part Number	8681910
Suitable for hammer weight	4 kg
Length	900 mm
Material of long handle	Hickory
DIN	5112
Gross Weight	0.709 kg
Product Group	558
