

Grippy® floor mat with safety strip

Absorbs oil, water, coolants and solvents

Version:

- The yellow and black pattern on both edges alerts you to hazards and increases safety
- Absorbent layer takes up liquids and draws them away from the centre of the mat
- Tested and certified (by NFSI)
- classified as slip-resistant R13 as per DIN51130 – suitable for use in work rooms and work areas with an increased risk of slipping due to grease, oil, food, debris, dust, flour, paint residues etc
- tested in accordance with BS 7976-2:2002+A1:2013, with proven low slip potential, both in wet and dry conditions
- Adheres to the most common commercial floor surfaces, including: Concrete, vinyl and ceramic plates, natural stone slabs and linoleum
- Easy cleaning: Simply sweep, wipe, vacuum or clean with wet vacuum cleaner or floor cleaner – the mat will not slide

Advantage:

- Absorbs moisture, catches dirt and prevents slips, trips and falls
- The adhesive developed by New PIG keeps the mat fully fixed to the floor but enables it to be removed easily
- Very easy to lay
- Easy cleaning: Simply sweep, wipe, vacuum or clean with wet vacuum cleaner or floor cleaner – the mat will not slide
