

Grippy® absorbent mat – with self-adhesive coating

absorbs oils, water, coolants and solvents

Application:

Suitable for passageways and routes used by pedestrians and vehicles - even areas with heavy forklift traffic!

Execution:

- made of polypropylene with polyester seams
- with self-adhesive back (proprietary adhesive)
- outstanding durability

Advantage:

- Full-coverage adhesive backing holds the mat in place so that it cannot bunch up, slip or be blown away
- Sticks without leaving any residue
- Zigzag seams increase stability and durability
- Polyethylene coating prevents absorbed liquid escaping
- tested and certified by the National Floor Safety Institute (NFSI)
