

Compact cabinet workbench

Worktop: Solid beech, 1,000 mm, 1 drawer and 1 door

Application:

Thanks to the enormous variety of possible combinations, **LISTA** workbenches can be used to customise and save space in any work area.

Execution:

- Fully assembled and ready for immediate use
- Robust, stable construction made of high-quality materials
- Comprehensive extension options with accessories available separately

Advantage:

- **Maximum stability:** Workbench top panels are extremely robust and resistant
- **Wide variety of versions available:** thanks to different components, substructures, materials and surfaces
- **Quick and easy assembly:** Thanks to workbench top panels with pre-drilled holes including screw-in nuts (pre-assembled) for attaching all substructures and drawer cabinets
