

Part Number: 6993-0318-P1

Description: NEW TD-100A Tip-Heater Cartridge Soldering Iron with Tool Stand

Introducing the NEW TD-100A Aluminum Tip-Heater Cartridge Iron!

The new TD-100A Ergonomic Soldering Iron replace the TD-100 Soldering Iron handpiece as standard in the MBT 301 and MBT 350 Solder, Desolder and Rework Stations. The TD-100A maintains the comfort and feel of the original handpiece yet contains many enhancements. Slim and lightweight, the handpiece dramatically reduces grip stress and operator fatigue, enhancing productivity.

Voltage: 120 V / 230 V
