Toner for use in

Konica Minolta Bizhub C20, C20P, C20PX, C20X
(TN-318Y/M/C/K)
Develop Ineo +20

With the Bizhub C20 and its related versions Konica Minolta has introduced a compact Multifunctional colour device that delivers bold high-quality documents at printing/copying speed of 25ppm and impressive 9600 x 600dpi class quality. The multitasking machine sends faxes and scans documents from one convenient location and is capable of handling high traffic demands with a reliable monthly duty-cycle of 120000 pages.

The optional 50 sheet reversing automatic document feeder easily tackles multipage documents that projects always stay on track. Thanks to its compact design the machines allow multiple placements in small offices and workgroups.

Printing-cost of these colour machines however can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan) which is also compatible with the equivalent Develop machines.

Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Universal cartridge also for use in equivalent Develop machines.
- ▶ Sourced directly from the manufacturer.
- ▶ Also as bulk toner available for local filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse near Stuttgart.
- ▶ Samples for testing at discounted prices.
- ▶ Selective distribution through competent reseller only.
