

# Ergotron® 400 Series

for vertical surfaces

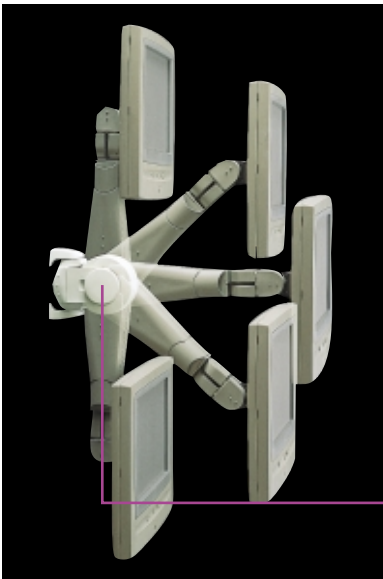

## Highlights

- Easily position the height and angle of the monitor for maximum comfort and productivity
- Up to five points of rotation for maximum adjustability
- Patented friction system provides smooth adjustment while maintaining touch screen stability without the need for knobs or levers
- Space saving ability to move monitor out of the way when not in use
- Internal steel construction ensures long-lasting durability
- Sleek, durable, easy-to-clean plastic exterior
- Internal cable management conceals and routes cables
- VESA® Flat Display Mounting Interface (FDMI™) Standard compliant for easy monitor attachment
- 5-year warranty

Flat panel monitors and laptops provide space saving convenience. Now Ergotron ARMS deliver this technology right where you need it. Ergotron's patented 400 Series Arms allow users to lift, swing, and tilt flat panel monitors, laptops, and keyboards for maximum efficiency. With up to 24" of vertical adjustability, you can easily adjust from a standing to a sitting position or anywhere in between. 400 Series Arms also allow you to move components out of the way when not in use, which is an essential feature in areas where space is at a premium.

All 400 Series Arms for vertical surfaces feature 180° of vertical adjustment.

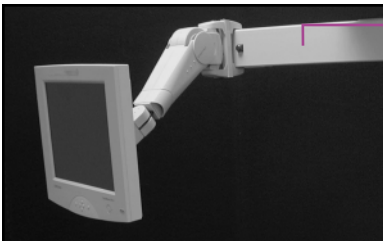

400 Series Rotate Arm (180° rotation) attached to TechStation.

Pivot mechanism positions monitor where you need it.

400 Series Fixed Arms (0° rotation) attached to Mobile Workstand.

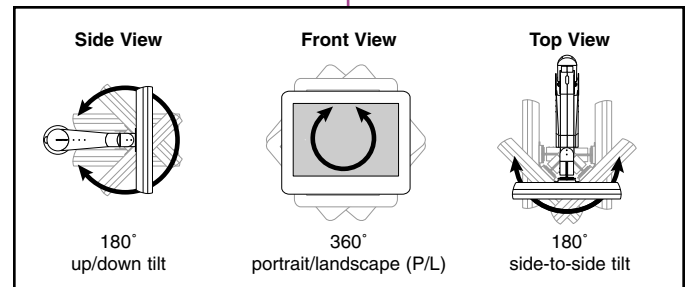

Extend monitors out up to 48" with extender option.

All pivots allow 180° of up/down monitor tilt. Choose a pivot with portrait/landscape (P/L) for 360° monitor rotation and double pivot with P/L for 180° of side-to-side monitor tilt.

Keyboard/Laptop pivot.

Internal cable management system provides clean and organized installation.

## Basic Specifications:

**Application Options:** Direct Mount, Wall Track, Wall Plate, Pole, Slatwall, Command Post, Furniture Mount, Mobile WorkStand

### Monitor Interface Pad Options

- VESA® MIS-D, 100/75, C
- Custom Interface Plate (contact Ergotron for details and availability)

### 400 Series Weight Capacities:

- Single Pivot = 28 lbs (12.7 kg)
- Single Pivot with Portrait/Landscape (P/L) = 25 lbs (11.3 kg)
- Double Pivot with P/L = 23 lbs (10.4 kg)
- Keyboard/Laptop Pivot = 7.5 lbs (3.4 kg)

**Shipping/Net Weight:** 11–13 lbs (5.0–5.9 kg)

**Accessory Options:** Extenders, Keyboard Trays, Laptop Tray, Wrist Rests, Mouse Pad, Mouse Pouch, CPU Holders, Quick-Release Interface, Surge Suppressors and Power Strips
