Notification Date: August 13, 2018

Effective Date: August 1st, 2018

AVX Part Number / Series / Product: All TAP / TEP series with G wire lead configuration

Customer Part Number / Series / Drawing: All TAP / TEP series with G wire lead configuration

Material Identification: _____

Date Code / Lot Code: 832 and forward

Applicable Information for Product Alerts:

Purchase Order Number: <u>N/A</u>	Shipment Date: <u>N/A</u>
Packing Slip Number(s): <u>N/A</u>	Quantity: <u>N/A</u>

Description of Advisory / Notice:

TAP product that call to wireform G, will be increased in the dimension H (from seating plane to top of capacitor) in 1.1mm. The reason is to continue supplying this wire form using a new alternative technology to manufacturing since old technology is not available anymore. This change does not have effect on electrical and mechanical performance.
