

Bluetooth® Speaker | 2x 45 W | True Wireless Stereo (TWS) | Waterproof | Grey

General information

This Wireless Bluetooth® Speaker was made for outdoor listening – so get out there and party!

Portable

Incredibly lightweight and portable this speaker nevertheless delivers a heavyweight, deep and rich sound that hits all the right notes.

Waterproof

And rain needn't stop play. The IPX4-rated waterproofing means all you need is an umbrella to dance and sing in the rain.

Rich sounding

Connect two of these Bluetooth® speakers using the latest True Wireless Stereo (TWS) technology for double the audio experience, with a maximum peak power output of 180 W.

Long lasting

The integrated 4000 mAh battery gives you up to four hours of playback on a single charge – and you can carry on listening to your music as you recharge the speakers ready for the next outdoor party.

Features

- Two lightweight speakers – offering 2x45 W peak power output – to deliver a heavyweight sound
- Uses the latest True Wireless Stereo (TWS) – for your listening pleasure
- IPX4 waterproof rating – makes these ideal for use outdoors
- In-built 4000 mAh battery – lets the music play for up to four hours at a time
