

SOLDAPULLTS

SOLDAPULLTS

EDSYN got it's start by introducing the original Soldapullt® hand desoldering tool. This invention revolutionized the industry 40 years ago. That innovative spirit still drives us forward. The Soldapullt® line of hand desoldering tools has grown to encompass more than 15 different models.

- DS017**
Deluxe SOLDAPULLT®
- "The Original" Deluxe desoldering tool
 - Designed for heavy duty, high volume applications
