

Document sorting board

with 10 compartments

Application:

Ideal for orderliness in offices, businesses or workshops. Ideal for order processing and organisation of DIN A4 documents. Clarity and orderliness on the wall.

Execution:

- Available with 1, 2 or 3 rows
- Sturdy, robust wooden rear wall
- Magnetic strips for labelling
- Visible edge 40 mm, insertion depth 257 mm
- including magnetic labels
- Separators between the columns prevent lateral shifting of documents
- Tracks made from PVC, circumf. profile made from PP, caption bar at the top made from coated sheet steel, rear wall wood core plywood 13 mm

Advantage:

- Can be extended any time thanks to modular design.

Delivery:

Completely assembled, incl. fastening material and magnetic signs
