Description of the item

24" professional tool bag with a large number of pockets. The tool bag is reinforced with a metal frame for stability, and the long hard plastic feet at the bottom protect the tools against wet surfaces. The bottoms of the pockets are reinforced in order to withstand the weight of tools and sharp objects. The strong metal handle with rubber grip can be tilted to the side providing easy access to content. Including removable, adjustable ergonomic shoulder strap. Tools not included.  
Made of polyester (PET)
