Subject: TWC-Y Shelf Cost Removal

Hi,
Please be advised that effective April 1, 2015, AVX will remove all set book and VPA pricing tied to our TWC-Y, 200C wet tantalum series. This product will move to a price per bid/volume only arrangement at that time.

Attached is a listing of effected part numbers. Certainly let me know if you have any questions.

Best Regards,

Kelly Geyer
