

ELEVATE Toner CF280A Black for HP LaserJet Pro - 2.7K - Remanufactured

P/N: AHWF2801B0E
P/N OEM: CF280A

Product description:

With Elevate you get Lexmark-endorsed line of premium aftermarket toner cartridges, available for many popular non-Lexmark laser printers and multi-function-printers - the perfect cost-saving alternative to OEM cartridges.

The cartridges are manufactured in ISO:9001:2015 and STMC certified facilities. The high quality is also ensured by print-testing every single toner after production and offers industry-leading quality statistics with an overall defect rate of less than 1%.

Elevate Imaging cartridges are made from safe, non-toxic materials and comply with key global safety and environmental regulations, including: ROHS, REACH, WEEE, ISO 14001: 2015 and California Prop 65. In addition the toner are inspected für intellectual property compliance and backed by an extensive patent portfolio.

Don't want to sacrifice quality, reliability, safety or IP compliance? Meet Elevate Imaging Supplies by Static Control.
