Farnell	InOne	179956	DB180-20	AAVID	THERMALLOY

The DB120-2 (our 437156) and DB180-2 (our 437161) do not have discrete data sheets. They are simply DB extrusion, cut to length (120mm and 180mm), black anodised, top surface skimmed.

The attachment shows the profile details.

The estimated thermal performances are approx:-

0.41 degC/W for DB120-2

0.31 degC/W for DB180-2
