RS PRO Black Digital Pocket Stopwatch

RS Stock No.: 811-1814

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the pocket stopwatch from our trusted and reliable own brand RS PRO, a compact 1/100 second LCD stopwatch with lap facility, normal time, alarm and calendar features. This pocket sized stopwatch features an LCD screen allowing you to view results clearly in real time, with 12 mm and 10 mm digit heights. From the time start, this stopwatch counts to 40 minutes in 1/100 second and then to 24 hours in 1 second intervals, including accuracy within 2 second over 24 hours. This RS PRO digital stopwatch operates via a 3 volt operating system with 2032 lithium battery, offering increased reliability and accuracy. This reliable timer is enclosed in a stylish black water resistant case with a cord lanyard, making it ideal for use indoor and outdoor in a range of applications.
